

## The Hurricane Junior Golf Tour and North Coast Junior Tour Team Up for 2016

The Hurricane Junior Golf Tour (HJGT) and North Coast Junior Tour (NCJT) have a long history of serving junior golf families by providing top level competition at high quality venues. This year HJGT and NCJT are offering a dual membership which will allow juniors a chance to play high level competition both locally in Ohio and nationally. Both tours play at some of America's best places to play, making the dual membership the perfect match for junior golfers looking to showcase their talents at great courses. The tours are working together to help juniors improve their tournament access and to build stronger college golf resumes.
