| Lake Erie Junior Golf Association | 19 |

The Competition

A tour challenge competition among Northern Ohio's junior golf tours, featuring top junior players from the region and hosted at the world famous Firestone Country Club.

The event originally started as the Tour Challenge in 1999. In 2002, it was renamed the Joe Haase Cup in memory of Joe Haase, the PGA golf professional at Shaker Heights CC, a past President of the Northern Ohio PGA and a good friend to junior golf, locally and nationally.

96 competitors play 18-hole matches against an opponent from another team (Match Play). There are 48 matches in all. Winners claim 2 points for their team. All-Square matches claim 1 point for their team.
