The Mission of this event is recognize a community leader while supporting junior golf. The late Denny Spaulding, a popular business leader, had a passion for golf and youth sports. At this event everyone will experience the spirit of golf with a North Coast Junior Golf Tour player at the prestigious Sand Ridge Club. During the Awards BBQ, we plan to present two Denny Spaulding Scholarships to deserving junior golfers. Bringing the golf community together for a great day of supporting junior golf will warm the hearts of many and be a special tribute to Denny and his family!

Please sign-up today and thanks for your support!
